"A TRIP TO ZURICH"

Secretary Joplin Gives Interesting Talk
On Great International Gathering
At World's Sunday School Con-
vention in 1913.

At the Christian Church State Secre-
tary Joplin was present, and at the
close of the prayer meeting, gave a
short talk upon Graded Sunday School
Work.

At 8:15 p. m. when the various meet-
ings had closed, a large gathering
of Maysville's enthusiastic Sunday
School workers were assembled in the
auditorium of the First Christian
Church, to hear Secretary Joplin on
"His Trip to Zurich, The World's Sun-
day School Convention of 1913."

He said in part that the watchword
of the Kentucky Sunday School Union
is "Increase," a gain of 50 per cent.
for the year 1915 is wanted. Three
points, attendance, enrollment, equip-
ment, mean efficiency.

The first Sunday in May is to be
Sunday School day in Kentucky.
We have a population of about 2,500,
000 and we want 750,000 in Sunday
School on that day.
Can't we do it?
Secretary Joplin then launched into
his theme. From the time he went
aboard his steamer at Montreal until
the conductor called out Zurich, his au-
dience staid with him. They sang
"America," in the English channel on
the Fourth of July, when he met the
Illinois, and waved the flag as he jour-
neyed through Holland, Belgium, and
Germany.

At Zurich, among the fourteen hun-
dred delegates were twenty-four from
Kentucky, sixty nations and forty dif-
ferent languages were represented. Per-
haps the leading character in the con-
vention was Bishop Vincent, over eighty
years old. He led the opening exer-
cises.

The convention lasted eight days,
held forty-eight sessions and two hun-
dred and forty-three addresses were
made.

The next convention is to be held in
Tokio, Japan. Sir Robert Laidlaw is
the president.

Secretary Joplin is a pleasant speak-
er and his audience was highly de-
lighted.

trimmed 50c. Children's petticoats

FATALLY STRICKEN

Samuel Turley, Member of the Legisla-
ture From Mt. Sterling, Indiges-
tion Victim.

Frankfort, Ky., January 21.—Represen-
tative Samuel Turley, of Mt. Ster-
ling, who fell, stricken with an attack
of acute indigestion, on the steps in-
side the Capitol yesterday, died at 10:30
last night at the Frankfort Hotel.

Mr. Turley was 59 years old, and is
survived by his widow and eleven chil-
dren. He was a farmer and was serving
his first term and his first political of-
fice as Representative from Menifee
and Montgomery counties.

ANOTHER FIRE SCARE

Over-Heated Chimney Causes Excite-
ment and Small Loss at Mr.
Homer Ellis' Home.

The home of Mr. Homer Ellis in West
Second street was the scene of a slight
blaze yesterday afternoon about 1
o'clock.

Mrs. Ellis was seated in the front
room upstairs, when she heard a strange
noise in the guest room. On opening
the door leading into the room she saw
the closet containing her winter cloth-
ing on fire. In front of the closet door
sat a large trunk containing her silver.

With heroic effort she moved the trunk
into the front room; then she closed
the door, went down stairs and called
the firemen, who quickly responded and
extinguished the flames with chemi-
cals. Mr. Ellis' loss will be several
hundred dollars.

The cause was from an over-heated
chimney.
Mrs. Ellis was naturally quite nervous
from the scare.

LOOK

MEMBERS OF THE

CLOVER CLUB!

HERE'S NEWS FOR YOU!

It is a well-known fact that in sowing one
bushel of clover seed to six acres that an average
of 66 clover seeds are sown to every square foot of
ground. In broadcasting the wind and rain carry the
seed in patches. Some portions have so much
seed on that it cannot grow; other parts have no
seed at all. Drill your seed with the

Buckeye Special Alfalfa and Grass Seed Drill

Get all the seed in the ground and save half
the seed. In selling you this machine we are of-
fering the farmers of Mason county the best propo-
sition ever made in the way of machinery. With
half the seed we guarantee you a better stand.
They have been carefully tested for three seasons
now and have proven thoroughly satisfactory in
every way. Come in, let us show the machine to
you and give you the names of those who own
them and are delighted with the results obtained.

FINE MEETING AT CENTRAL PRESBYTERIAN CHURCH.

Prayer meeting at the Central Pres-
byterian Church was one of the most
interesting that has been held for some
time.

In addition to the usual service the
pastor, Rev. R. L. Benn gave a most en-
tertaining review of the book, "Inside
The Cup," which at present is attract-
ing the attention of the religious world.

The Doctor's congregation felt deep-
ly impressed with his presentation.

At the First M. E. Church South,
Rev. Minor S. Clark the pastor, held a
very beneficial prayer service. These
services are a revival effort. The spiri-
tual uplift is being felt by the congre-
gations. The gatherings are increasing
nightly.

ANOTHER SMASH-UP

C. & O. Freight Buckled and Wrecked
Four Cars Yesterday Afternoon
On Limestone Hill.

Yesterday afternoon about 7 o'clock
freight No. 800, in charge of conductor
Tatman and engineer O'Neal, going
east, wrecked four cars on the East-
bound track on the Limestone hill.

There seemed to be no cause for the
wreck, as the train had the block.

The conductor said the train buckled
just as he was going over the viaduct
at Limestone street.

It was a wonder it did not throw the
entire train off of the track.

Only four cars were wrecked and it
took eight hours to clear the Eastbound
track. The Westbound track was not
blocked.

Loss \$10,000 to the company.
